STAY SAFE. STAY UP TO DATE.

Protect your health and the people you love.

Vaccines are safe, effective, save millions of lives and are the best defense against many infectious diseases.

If you are 65+ or have a compromised immune system, you may be more vulnerable to certain diseases, so get vaccinated today. You have the power to prevent and protect.

*Vaccination to be provided by **ACME pharmacy***

FLU

The flu vaccine is very important for older adults and people with chronic health conditions. Please get your seasonal flu vaccine by the end of October or soon after.

COVID-19

The Updated COVID-19 vaccination is recommended for everyone ages 6 months and older in the United States for the prevention of COVID-19.

Please bring your ID and medical insurance cards.
